## REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

Daniel Morgan Technology Center (DMTC) serves Spartanburg County School Districts 3 and 7. Students from Broome and Spartanburg High Schools may elect to enroll in one course or a combination of two-year, one-year, or semester courses available in 16 Career and Technology Education Programs. All programs are offered in accordance with the standards established by the Office of Career and Technology Education, S.C. Department of Education.

Mechatronics, a two-year program for workforce preparation in automated manufacturing, and Innovations in Robotics, a semester course, were added to the curriculum in 2012-2013. Offerings in Health Sciences were increased with an additional Health Sciences instructor.

Throughout the 2012-2013 school year, students demonstrated high levels of technical skills, academic skills, and performance. By meeting industry standards, 364 students earned a total of 893 certifications in 11 Career and Technology Education areas. With Spartanburg Community College (SCC), 184 students earned a total of 1118 credit hours in seven DMTC programs. Through the Technical Advanced Placement Program with SCC, 17 Welding students earned 176 credit hours and 2 Electronics students earned 6 credit hours. This spring, 41 students participated in local, state, and national skill competitions in six program areas. Students in Building Construction and Electricity constructed a 2,300 square foot house.

During the annual Awards Day Program, 251 students received certificates for completing a one-year course or a two-year program. By earning 4 units in a two-year program, 132 students met requirements to be a Career and Technology Education completer. In addition, 88 students were recognized for meeting requirements for membership in the National Technical Honor Society.

Other highlights for the year include a grant of \$14,604 for Mechatronics equipment from AdvanceSC and a Farm to School Grant of \$5,000 for the Environmental Services Program from the State Department of Health. New partnerships were developed with BMW, Michelin, Cooper Standard, YouthStop, Work Ready Communities, and the Spartanburg Boys and Girls Club. DMTC was named a Palmetto Gold School for 2012 by the State Department of Education.
